

Souad Khannoussi

Souad is quadrilingual; she grew up bilingual in Madrid, speaking Spanish and Berber, and later added French and English.

Given her love of languages, she majored in translation and interpretation as an undergraduate and then went on to obtain a master's degree in Teaching Spanish as a Second Language at the Universidad Complutense of Madrid. Currently, she is teaching Spanish classes at the University of Memphis in Tennessee.

In addition to studying (she is now working towards another degree, this time in psychology), Souad enjoys traveling, reading, and above all, singing. Meanwhile, she still hopes to add a few more languages to her repertoire.
