Vida

Vida (which means "Life" in Spanish) graduated with a degree in psychology and is a certified high school teacher in Guatemala, where she has worked with students ages 12 to 18. In order to spend more time at home with her three children, however, she took a break from teaching to start her own home business and develop her entrepreneurial side. In her spare time, she loves to read historical novels, sew all types of beautiful garments, and pamper her already spoiled cats.
